## **Subject: ALL PAKISTAN MINORITIES HERITAGE PHOTO CONTEST**

Respected Sir,

The land of present-day Pakistan, having thousands of years of ancient history, has been blessed with a priceless treasure in the form of historical sites, which by paving the way for religious tourism, can not only rid us of foreign debt, but also strengthen our national economy. Such hidden architectural wonders and unique sites are silent witnesses of our glorious past and rich heritage.

Pakistan Hindu Council, in order to identify minority non-Muslim holy places of worship across the country, is organizing the All Pakistan Minorities Heritage Photo Contest with the technical support by the Press Network of Pakistan. The contestants submitting outstanding photos will be awarded with winning prizes worth of Rs50,000, Rs30,000 and Rs20,000 respectively in addition to special prizes and certificates of appreciation.

Pakistan Hindu Council, acknowledging the dynamic role of higher education for national development, is looking forward to join hands with the HEC to highlight and showcase the historical sacred buildings of non-Muslim minority religions including Hindu, Sikh, Buddhist, Jain, Parsi and Christian communities, under the said photo contest, which is open to all Pakistani citizens. (Press Clippings are enclosed for your kind review).

It is therefore requested that the HEC may please encourage all worthy Vice Chancellors / Rectors / Heads of HEIs belonging to public / private sectors to ask their students for actively participation in the photo contest latest by January 31, 2023.
